 All it takes is a sparkle, all it takes is a flame  
 To make joy out of sadness, to bring hope to a life  
 Like the promise of the dawn on a long winter's night
2. If you light up the shadows then you won't be afraid  
 If you offer your kindness you'll get back what you gave  
 it takes one little candle to turn darkness to light

**The Star-Spangled Banner**

Oh, say can you see  
 By the dawn's early light  
 What so proudly we hailed  
 At the twilight's last gleaming,  
 Whose broad stripes and bright stars  
 Though the perilous fight  
 O'er the ramparts we watched  
 Were so gallantly streaming?  
 And the rockets' red glare,  
 The bombs bursting in air,  
 Gave proof through the night  
 That our flag was still there.  
 Oh, say does that star-spangled banner yet wave,  
 O'er the land of the free and the home of the brave.

**MTA**

Let me tell you the story  
 Of a man named Charlie  
 On a tragic and fateful day  
 He put ten cents in his pocket,  
 Kissed his wife and family  
 Went to ride on the MTA

Charlie handed in his dime  
 At the Kendall Square Station  
 And he changed for Jamaica Plain  
 When he got there the conductor told him,  
 "One more nickel."  
 Charlie could not get off that train.

Chorus:

Did he ever return,  
 No he never returned  
 And his fate is still unlearn'd  
 He may ride forever  
 'neath the streets of Boston  
 He's the man who never returned.

Now all night long  
 Charlie rides through the tunnels  
 Crying, "What will become of me?  
 How can I afford to see  
 My sister in Chelsea  
 Or my cousin in Roxbury?"

Charlie's wife goes down  
 To the Scollay Square station  
 Every day at quarter past two  
 And through the open window  
 She hands Charlie a sandwich  
 As the train comes rumblin' through.

**The Grand Old Duke of York**

The Grand Old Duke of York  
 He had ten thousand men,  
 He marched them up the hill,

 And when you're down, you're down  
 And when you're only half way up  
 You're neither up nor down.

It's a small world after all.

It's a small world after all (3x)  
It's a small, small world.

There is just one moon and one golden sun,  
And a smile means friendship to everyone.  
Though the oceans are wide,

Two all beef paddies,  
Special sauce, lettuce, cheese,

Gee mom, I want to go HOME!

**The Fox**

The fox went out on a chilly night,  
 He prayed for the moon to give him light,  
 For he'd many a mile to go that night,  
 Before he reached the town-o, town-o, town-o,  
 He'd many a mile to go that night,  
 Before he reached the town-o.

He ran til he came to a great big pen,  
 Where the ducks and the geese were put therein,  
 "A couple of you will grease my chin,  
 Before I leave this town-o, town-o, town-o,  
 A couple of you will grease my chin,  
 Before I leave this town-o."

He grabbed the gray goose by the neck,  
 Threw a duck across his back,  
 He didn't mind their quack, quack, quack,  
 And their legs a-dangling down-o, down-o, down-o,  
 He didn't mind their quack, quack, quack,  
 And their legs a-dangling down-o.

Then old Mother Flipper-Flopper jumped out of bed,

 Crying, "John, John! The gray goose is gone,

(Chorus) This land is your land This land is my land  
From California to the New York island;  
From the red wood forest to the Gulf Stream waters

As I was walking that ribbon of highway,  
I saw above me that endless skyway:  
I saw below me that golden valley:  
This land was made for you and me. (Repeat Chorus)
